*"The music is not in the notes,
but in the silence
between"*

BIOGRAPHY:

Wolfgang Amadeus Mozart (1756-1791) was an Austrian composer and a leading figure in the Classical era of Western music

Mozart was born in Salzburg to a musical family. His father, Leopold Mozart, was a court musician. Mozart showed exceptional musical talent from a young age, composing his first pieces by age 6. He could play the harpsichord, keyboard, organ, piano, viola, and violin.
